

At Breezy Point Resort, the safety of our guests and employees is our number one priority. As a valued Breezy Point customer, I'd like to share more with you about what we're doing to ensure your health and safety, as you may have concerns related to COVID-19 (coronavirus).

We are receiving regular communications from federal and local agencies to make sure we stay up-to-date and monitor the situation closely. While we do not have anyone with COVID-19 in our area, we are taking additional steps to ensure the health and safety of our guests.

Our Public Areas

Our restaurants and meeting rooms and recreation areas have state-of-the-art circulation systems which use a high-efficiency filters to circulate the air and remove more than 90% of airborne particles. We continue to follow the CDC guidelines for cleaning and disinfecting the surfaces of our public areas. We've also added additional 3x daily cleanings of high-use areas. We're using disinfectant specifically designed to eliminate viruses and bacteria (including coronavirus). We have an additional number of sanitizers and tissues in all public areas.

Our Lodging Rooms

We have always used a disinfectant cleaner throughout all of our housekeeping departments that is effective against "Human Coronavirus" along with main other viruses. Team members and crew are reminded to be especially diligent in their wellness routines, and as always, asking them to stay home in the event that they are sick or exhibiting symptoms.

Our Food Prep areas and Kitchens

- Disinfecting areas more frequently that see more hand touching like door handles, sinks, dishwashing areas and cooking surfaces
- We use a disinfectant cleaner which is effective against a broad spectrum of bacteria, is virucide and kills 99.9% of germs and bacteria
- Providing additional training as determined by the Department of Health for food preparation, service and safety to catering team leads and staff
- Increasing cleaning frequency of kitchen prep areas with sanitization at the end of each shift and full kitchen sanitization daily

Thank you for your continued trust in Breezy Point Resort as we remain dedicated to offering safe and reliable service. We look forward to seeing you soon.

Sincerely,
David Spizzo
Vice-President
